Who We Are

- Sahaj Agrochem Industries is a proud group company of Sahaj Group since 1982. With decades of **EXCELLENCE IN AGROCHEMICALS**, we deliver Fungicides, Herbicides, Insecticides, and Plant Growth Regulators trusted by farmers across India
- Our operations include manufacturing of formulations and sales of branded products in the domestic market to agro dealers, Distributors, B2B companies, and farmers. We are also actively engaged in the import of raw materials and export of agrochemicals and formulations, strengthening our presence across global markets.
- Backed by ISO 9001:2015 certification, we combine modern technology with farmer-focused solutions. Our strength lies in:
 - ✓ Advanced infrastructure facilities
 - ✓ Well-equipped laboratory facilities
 - ✓ Strong team dynamics and leadership
 - ✓ Skilled technical team for quality assurance
 - ✓ Specialized production chemists for precise formulation
- Guided by our promise **“Your Trust Meets Our Quality”**, we ensure innovation, sustainability, and reliable solutions for healthier yields.
